Scholarship recipients are required to submit to the Board a one page summary report of the benefits they received from attending within one month of the conference.

*AFP believes that diversity and inclusion create a strong, vital and unified force for the effective pursuit of an organization's mission and achieving philanthropic success. Diversity and inclusion in Fundraising: seeks to achieve a broad representation of experiences, perspectives, and cultures to ensure that the best possible thinking, ideas, opportunities and solutions are considered; intentionally creates a respectful and welcoming environment that is open to all; and appreciated the unique contributions of every member of the community.*
